## Choosing the Best Franchises

*By Nick-Anthony Zamucen, Founder of Bio-One Inc.*

You must know exactly who is best for you \_\_\_\_\_ and what you're \_\_\_\_\_.

You don't want to \_\_\_\_\_ and take the money.

You need to be franchisors with a \_\_\_\_\_.

Can your new franchisees become \_\_\_\_\_?

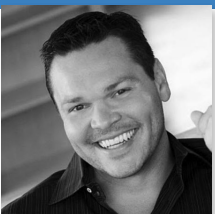

Make sure you're getting a \_\_\_\_\_.

When interviewing: would I let this person \_\_\_\_\_?

Your franchise is your \_\_\_\_\_.

Your franchisee is a representation of \_\_\_\_\_.

Don't make the mistake of letting people in who should be there because they were worried \_\_\_\_\_.

Nick-Anthony Zamucen is the founder of Bio-One Inc., the first successful franchised crime scene and hoarding cleanup company. His expertise has been featured in several TV and movie crime scene recreations. He's also a published author, business strategist, and award-winning serial entrepreneur.
